CSC RODS

CSC Rods offer outstanding value for money.

Don't be deceived by the price, in the right hands they are more than capable of casting well in excess of 100m; the 13ft in particular with its 50mm butt guide is a very capable rod. Constructed on 24 Ton Modulus Carbon blanks, their medium-fast action makes them fantastic all-round fishing rods that are a pleasure to use. A 3-piece version is also available, ideal for those anglers on the move or for cars with smaller boots.

- MATT GREY NATURAL CARBON FINISH BLANK
- 24-TON MODULUS CONSTRUCTION
- DOUBLE LEG SIC GUIDES
- 18MM DPS REEL SEAT
- ABBREVIATED EVA HANDLE GRIP
- ALUMINIUM BUTT CAP
